- 2) Section 7 shall be replaced by the following:
"1. In duly justified cases, having regard to the specific nature of international cooperation or the important interests of the University, the Rector may, at the request of the Vice-Rector for International Relations, approve an individual derogation from selected provisions of these Regulations, in particular with regard to deadlines, the number of visits, the amount of funding, or the conditions for participation in the Programme, provided that such derogation does not undermine the objectives of the Programme.
