

Resolution No. 105/2024-2028
of the Academic Senate of Poznan University of Technology
of 17 June 2026

on expressing an opinion on the legitimacy of submitting
an application for an award granted by the minister responsible for higher education and science

Acting pursuant to § 5 section 4 point 1a) of the Regulation of the Minister of Science and Higher Education of 23 January 2019 on awards granted by the minister responsible for higher education and science (Journal of Laws of 2021, item 2286), the Senate **considers it justified and supports** the Rector of Poznan University of Technology in submitting an application for a collective award granted by the minister responsible for higher education and science to a team composed of PUT Prof. Marek Szostak, Ph.D., D.Sc., Eng., PUT Prof. Jacek Andrzejewski, Ph.D., D.Sc., Eng., PUT Prof. Danuta Matykiewicz, Ph.D., D.Sc., Eng., Damian Dziadowiec, Ph.D., Eng. and Piotr Szymczak, Ph.D., Eng. for significant achievements in the field of implementation activities, i.e. for the development and implementation of innovative technologies for the production of CAST-type polypropylene film and APET-type polyester film (engineering and technical sciences: mechanical engineering; civil engineering; geodesy and transport; environmental engineering; mining and power engineering).

The Resolution enters into force on the date of its adoption.

Chair of the Senate
Rector of Poznan University of Technology

Professor Teofil Jesionowski, Ph.D., D.Sc.
