

Ordinance No. 32
of the Rector of Poznan University of Technology
of 19 June 2026
(RO/VI/32/2026)

on the establishment of postgraduate studies
"Planning and implementation of rail transport investments"

Acting pursuant to Article 23 section 2 of the Act of 20 July 2018 - Law on Higher Education and Science (Journal of Laws of 2024, item 1571, as amended), in connection with Resolution No. 110/2024-2028 of the Academic Senate of Poznan University of Technology of 17 June 2026, **it is ordered** as follows:

§ 1

1. At Poznan University of Technology, postgraduate studies are established on the basis of a study programme determined by Resolution No. 110/2024-2028 of the Academic Senate of Poznan University of Technology of 17 June 2026, hereinafter referred to as the "studies":
 - 1) name of the study programme: ***Planning and implementation of rail transport investments***;
 - 2) ISCED: ***0732 – Building and civil engineering***;
 - 3) symbol: ***SP-238***;
 - 4) language of instruction: ***Polish***;
 - 5) number of semesters: ***2***;
 - 6) form of studies: ***part-time***
2. The study programme is run at the Faculty of Civil and Transport Engineering.

§ 2

1. The head of the studies is appointed by the Rector.
2. The Dean of the Faculty of Civil and Transport Engineering, in cooperation with the head of the studies, commissions Poznan University of Technology academic teachers and specialists from outside the university to conduct didactic classes in the said programme.
3. The Dean of the Faculty of Civil and Transport Engineering is responsible for the substantive teaching content, organization of classes, implementation and running the study programme.

§ 3

1. The studies can be pursued by persons who:
 - 1) have a full qualification at least at level 6 obtained in the higher education and science system;
 - 2) have completed technical degree programmes, in particular:
 - Building Engineering;
 - Civil Engineering;
 - Transport;
 - Management;
 - Mechanical Engineering and related fields.
2. The condition for completing the studies is to obtain 30 ECTS points, defend the final thesis and/or pass the final exam.

3. The studies make it possible to obtain a partial qualification in accordance with the Polish Qualifications Framework at level 6.
4. Graduates receive a certificate of completion of postgraduate studies.

§4

The Ordinance enters into force on the day of signing.

Rector
of Poznan University of Technology

Professor Teofil Jesionowski, Ph.D., D.Sc.
