Adaptation of postgraduate curricula of studies at Poznan University of Technology

No.	Postgraduate studies	Faculty	Number of hours of classes conducted using remote learning methods and techniques	ECTS points	Resolution of the Faculty Board
1.	Investments and Design in Healthcare	Architecture	76	12	2/2024/2025
2.	Spatial Planning – Trends, Legislation, New Technologies	Architecture	25	1	1/2024/2025
3.	Software Engineering	Computing and Telecommunications	0	0	2024-02-005
4.	Critical Infrastructure Security and CBRNE Threats	Civil and Transport Engineering	0	0	RW/21/2024
5.	Fire Engineering of Buildings	Civil and Transport Engineering	0	0	RW/25/2024
6.	Traffic Engineering and Transport Planning	Civil and Transport Engineering	40	14	RW/24/2024
7.	Hydrogen Power System Engineering	Civil and Transport Engineering	20	3	RW/22/2024
8.	Modern Rail Transport Systems	Civil and Transport Engineering	20	3	RW/23/2024
9.	Fundamentals of Expert Evaluation in Automotive Engineering	Civil and Transport Engineering	20	6	RW/26/2024
10.	IT Systems for Product and Process Management in Industry 4.0	Mechanical Engineering	0	0	1/III/12/2024
11.	Modern Computer Techniques in Design	Mechanical Engineering	0	0	5/III/12/2024
12.	Production Organisation and Management	Mechanical Engineering	14	4	6/III/12/2024
13.	CNC Machine Programming	Mechanical Engineering	0	0	4/III/12/2024
14.	Processing of Plastics and Rubber	Mechanical Engineering	0	0	2/III/12/2024
15.	Quality Management in Theory and Practice	Mechanical Engineering	6	3	3/III/12/2024
16.	Nuclear Energy	Environmental Engineering and Energy	96	12	7/D/2024/25
17.	Energy – The Foundation of Critical Infrastructure Resilience	Environmental Engineering and Energy	64	8	5/D/2024/25
18.	Trenchless Technologies for Pipeline Renovation	Environmental Engineering and Energy	64	10	6/D/2024/25
19.	Transformation of the Power Sector	Environmental Engineering and Energy	68	5	2/D/2024/25
20.	Water Supply and Sewage Systems, Water Treatment and Wastewater Purification	Environmental Engineering and Energy	0	0	4/D/2024/25
21.	Smart Home – Modern Control Systems for Intelligent Buildings	Environmental Engineering and Energy	54	8	3/D/2024/25
22.	Occupational Health and Safety	Engineering Management	0	0	010/2024-2028
23.	Modern Production and Logistics Management	Engineering Management	0	0	013/2024-2028
24.	Postgraduate Management Studies – Modern Enterprise Management	Engineering Management	42	12	011/2024-2028
25.	Pedagogical Preparation for Teaching Theoretical Vocational Subjects and Practical Vocational Training	Engineering Management	210	12	009/2024-2028
26.	Project and Business Process Management	Engineering Management	36	9	012/2024-2028
